All offered packages are for the specified period only, the VAT of 19 % is generally due. If foreign customers prove a certificate for tax registration with tax-ID number, the VAT charges can be dropped. The prices include transport, set-up and removal up to a height-level of max. 2 m above hall ground. The client is obliged to provide sufficient space for the installation of the equipment. If wall mounting is planned, a stable wall-construction (up to 70 Kg) and electricity is to be provided. The set-up of the rental equipment is due one day before the fair commences at the latest. The rental equipment are not part of an assurance contract. Once the equipment is handed over to the client or his representative, he takes over the risk. For theft or damage the client is liable. It is recommended, that a security is to be organized, to guard the booth outside the fair-hours. Our General Rental Conditions are part of the contract. The rental contract is only valid with a written confirmation of order.
